REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Applicants acknowledge receipt of the Official Filing Receipt in connection with the above-captioned application. Upon review of same, two errors have been noted in the Domestic Priority data, and correction of same is respectfully requested.

The application claims benefit of 60/311,366, filed on 08-13-01, which the Filing Receipt indicates is "inconsistent with PTO records".

A copy of the Official Filing Receipt for 60/311,366, showing a filing date of 08-13-01, is enclosed herewith, as well as the Advance Notice Serial Number card, also showing a receipt date of 08-13-01. Accordingly, clarification is respectfully requested as to why the priority data claimed is "inconsistent with PTO records."

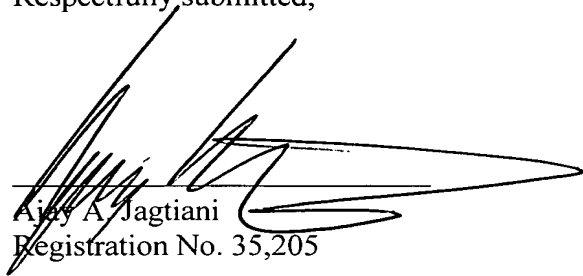

In addition, the Filing Receipt indicates that the application also claims benefit of 60/169,918, filed on 12-10-99, which is erroneous. The latter is NOT being claimed, though incorporated by reference.

A copy of the applicant's original Request for Priority, filed with the application on September 28, 2001, is enclosed herewith, indicating that benefit of only 60/311,366 is

Serial Number 09/964,679

being claimed. It is respectfully submitted that the original documents filed with the Patent Office contained the correct domestic priority data, as shown by the attached. Accordingly, it is believed that no fee is due or payable for these corrections.

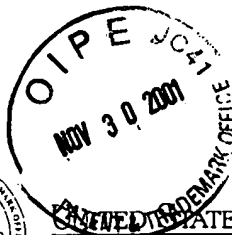

Respectfully submitted,
